First of all, Tahoe Brides only offers this form as a helpful way to know what questions will be asked of you at the Washoe County Clerk's Office. By law, the Clerk will still have to ask the questions of you, so they will not accept this form instead of the verbal questions/answers. But, because their new policy allows only one of the wedding couple to be present to purchase a Marriage License, this form can be very helpful for either the bride or groom to have easy access to the other's important background information. If you have any questions about these below questions, please call the Courthouse at (775) 832-4166. Remember, you do not have to fill in this form to get a license. This is only a form of convenience for you to know, in advance, the questions that will be asked of you.
